

The Atlanta area is under severe drought conditions that show no sign of easing. Maintaining landscaped areas is becoming more and more difficult under the watering bans. Collection of rain water and gray water or purchase of water from outside sources may be the homeowner's only recourse.

Newton Crouch Inc offers a solution to this dilemma with storage tanks and systems that can be used in conjunction with existing irrigation systems for watering.

Specifications: Rugged, impact-resistant, one-piece seamless polyethylene construction makes NORWESCO tanks excellent for the storage, and / or transport of most liquid fertilizers, herbicides, insecticides, and fungicides as well as a wide range of industrial chemicals. NORWESCO tanks are manufactured using resins that meet FDA specifications to ensure safe storage of potable water.

NCI stocks tanks ranging in size from 12 gallons to 12,000 gallons in a variety of shapes: vertical, horizontal, elliptical, leg tanks, cone bottom, pickup truck bed. Tank accessories include lids, fittings, bands, frames.

New line of black or dark green water tanks manufactured of resins that meet FDA specifications to ensure safe storage of potable water. The tank color limits light penetration reducing the growth of waterborne algae. These tanks are for water storage only. They range in size from 305 gallon to 10,000 gallon

The Free Standing Water Tank has been specifically designed with residential and commercial applications in mind. The dimensions of the 250, 300, 375 or 400 gallon tank allow it to fit through a conventional doorway. The design eliminates the need for a steel support frame.

NCI can provide pumps for agitation or emptying / filling tanks. We carry all fittings, hoses, valves required to set up your home or commercial system

1250 and 1500 Gallon Low Profile Tank

The Low Profile tank has been designed to fit under the crawl space of your home. Catch rain water or other types of gray water and pump it into this tank for future use

The box tank was designed just for pickup trucks to allow the homeowner to haul water easily.

2400 Gallon Horizontal Box Tank

See the catalog of Norwesco tanks and accessories at
